

SPRINT 1

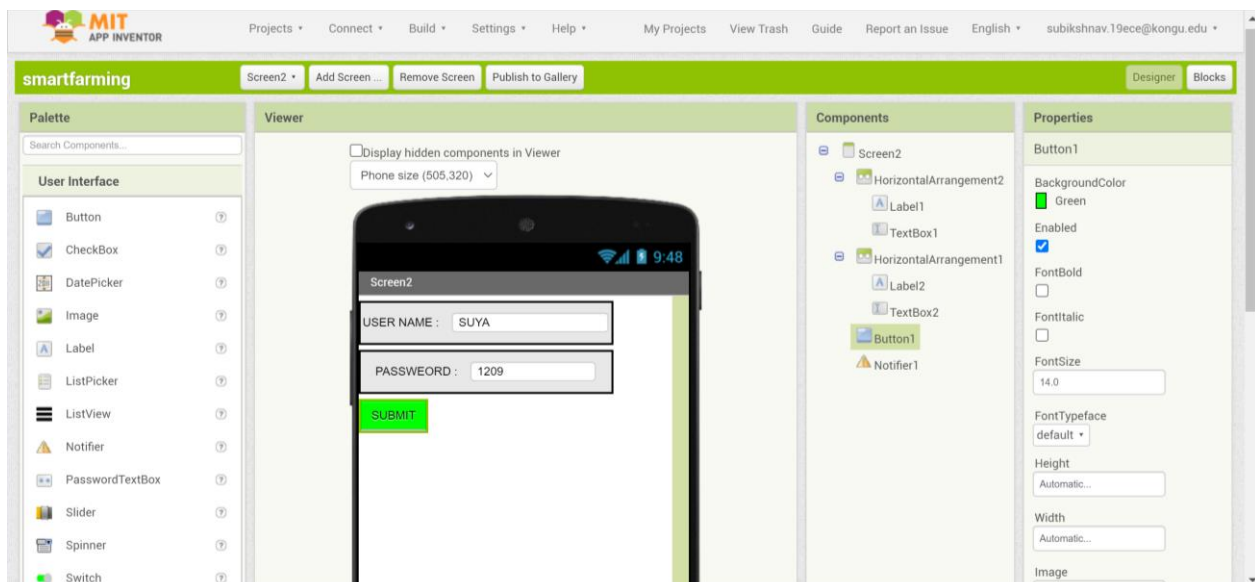

Team ID	PNT2022TMID04755
Project Name	SmartFarmer-IOT Enabled Smart Farming Application

HOME PAGE OF MITAPP INVENTOR:

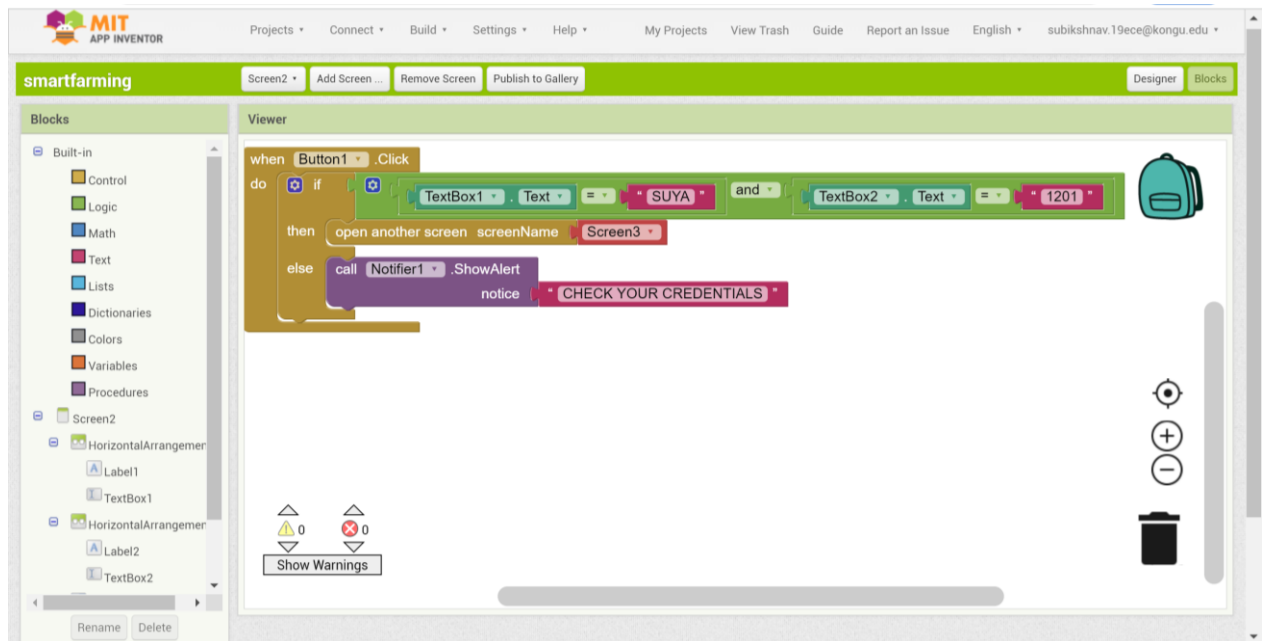

The MIT App Inventor home page features a navigation bar with links for 'About', 'Educators', 'News', 'Resources', and 'Blogs'. A prominent banner promotes 'Try our App Building Guides for the Youth Mobile Power Series' with a photo of two women. Below the banner, four statistics are displayed: 'USERS TODAY: 138.1K', 'USERS THIS MONTH: 1.2M', 'ALL-TIME USERS: 14.9M', and 'APPS BUILT: 67.8M'. The page is enhanced by Google and includes a search bar.

TO CREATE USERNAME AND PASSWORD:

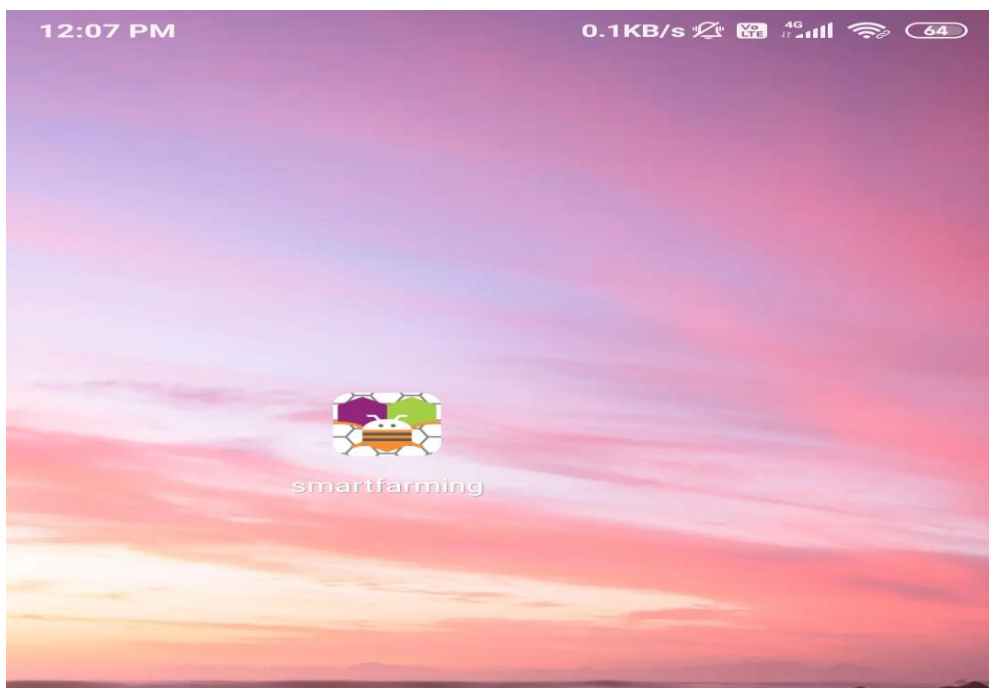

The MIT App Inventor Project Editor interface for a project named 'smartfarming'. The 'Viewer' pane shows a mobile app preview with a login form containing fields for 'USER NAME : SUYA' and 'PASSWORD : 1209', and a green 'SUBMIT' button. The 'Components' pane lists the app's structure: Screen2, HorizontalArrangement2 (containing Label1 and TextBox1), HorizontalArrangement1 (containing Label2 and TextBox2), Button1, and Notifier1. The 'Properties' pane shows the settings for the selected 'Button1', including 'BackgroundColor' set to Green, 'Enabled' checked, and 'FontSize' set to 14.0.
